SUMMARY

Dynamic UX Designer adept at creating enterprise digital experiences across diverse platforms. Proficient in user-centric design principles, user research, wireframing, and prototyping. Skilled collaborator with a focus on delivering seamless user journeys that align with business goals. Committed to staying updated on emerging trends to enhance design standards and drive product success.

EXPERIENCE

UX Designer, Burns & McDonnell | June 2023 - Present

- Aligned organizational branding guidelines with Google's Material 3 design framework, seamlessly integrating it across three distinct web-based products.
- Assisted in the development and integration of an advanced design system to drive the evolution of the company's brand identity on its corporate website.
- Utilized HotJar analytics to meticulously evaluate usability metrics on three corporate websites, delivering thorough reports with actionable insights and recommendations.
- Executed comprehensive competitive analyses across six critical areas of corporate website functionality, leveraging wireframes to inform strategic design decisions.

UX Design Intern, Burns & McDonnell | June 2022 - August 2022

- Developed wireframes for seven pivotal pages on the corporate website, ensuring comprehensive visualization and planning of user interactions.
- Orchestrated a strategic approach to user testing, aimed at refining the presentation and organization of the company's service offerings to enhance user experience and engagement.

UX/UI Design Intern, LeadSigma | May 2021 - August 2021

- Conceptualized and implemented a streamlined self-onboarding process for new clients, enhancing the user experience and facilitating a smoother transition into product usage.
- Redesigned the company's website and web app interfaces to enhance clarity and information delivery, boosting user engagement and conversion rates.
